

** Save some space to return to this in Modules 3 when you'll have the chance to add your own activities! Advocacy activities should be timed to occur just before key decisions are made or before an important event.

TIPS & TRICKS:
Thanks to CAFOD for their regular updates to their fabulous process diagram <http://is.gd/9e66MF>

Check out Prezi Module 3 for more information.

TIP: when thinking about relevant processes and opportunities at the national level, it is very likely that your government's Ministry of Foreign Affairs will be leading the next steps for post-2015. Try to find out more about its activities, key decisions and opportunities for influencing the process.
